## DETAILED ACTION

### *Election/Restrictions*

1. Claims 1, 2-8, 12, and 20-22 are allowable. The restriction requirement between species, as set forth in the Office action mailed on 2/9/06, has been reconsidered in view of the allowability of claims to the elected invention pursuant to MPEP § 821.04(a). **The restriction requirement is hereby withdrawn as to any claim that requires all the limitations of an allowable claim.** Claims 6-8, 20, and 22, directed to a second species are no longer withdrawn from consideration because the claim(s) requires all the limitations of an allowable claim. However, claims 9-11 and 17-18, directed to a patentably different invention remain withdrawn from consideration because they do not require all the limitations of an allowable claim.

In view of the above noted withdrawal of the restriction requirement, applicant is advised that if any claim presented in a continuation or divisional application is anticipated by, or includes all the limitations of, a claim that is allowable in the present application, such claim may be subject to provisional statutory and/or nonstatutory double patenting rejections over the claims of the instant application.

Once a restriction requirement is withdrawn, the provisions of 35 U.S.C. 121 are no longer applicable. See *In re Ziegler*, 443 F.2d 1211, 1215, 170 USPQ 129, 131-32 (CCPA 1971). See also MPEP § 804.01.

### **EXAMINER'S AMENDMENT**

2. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Frank Chau on 11/24/06.

The application has been amended as follows:

3. The instant title has been amended as follows:

Single Sideband Mixer And Method Of Extracting Single Sideband Signal

4. Also, claims 9-11 and 17-18, which were previously withdrawn, have been cancelled.

A handwritten signature in black ink is written over a rectangular official stamp. The stamp contains the text "SUPERVISOR" and "EDWARD URBAN" in a bold, sans-serif font. Below the name, there is a line of smaller, less legible text, likely a title or contact information. The signature is written in a cursive style, starting with a large 'E' and ending with a long horizontal stroke.
